Committee Report:

Scholarships

- I That questions for examinations "upon the common school branches" be prepared and sent to the various County Boards of Education on or before the 15th day of July.
- II That these questions be gauged to suit the capacity of the advanced students of ordinary country schools.
- III That young men after winning the scholarships may be assigned by the faculty to such classes in the Agricultural courses as they may be prepared to enter.
- IV In order to meet the emergency the rule requiring selections of courses to be made on entrance to the Sophomore class, be abrogated and selections must be made on entrance to the College or Sub Fresh.
- V When a cadet selects the Agricultural course and secures a scholarship he shall not thereafter (change) to any other course.

After discussion Prof Brodie moved to change sec 1 to read That the examinations shall if passed admit the student to the Sub fresh class, but That a student desiring to enter a higher class shall stand regular examinations for entrance to such class. The faculty discussed the

question at length and the motion was lost. Section IV was added to report of Committee as an amendment by on motion of Prof Morrison.

Sec V was added to report of Committee on motion of Prof Morrison.
On motion of Prof Riggs the faculty adjourned at 6⁰⁷ P.M.
